Tweet, Tweet!

Eid is Here!

©al-m.ca

May you have a blessed Eid al Adha day!

"Tweet, Tweet! It's Fun to Pray!"

To connect better, a bird may hint at a great way:

to the One we love and know.

And connects us all more

We hope this day makes your heart glow

and of the Almighty above.

surrounded by the love of ones dear,

We wish you a colourful day;
