

I can ask Allah to keep me safe!

When I am scared or see something not good, I can say

aa

oo

dho

bil

la

hee

mi

nash

shay

thaa

nir

ra

jeem

These words mean I want help from Allah
to keep me safe from bad things.

These words can help me feel better when I see something bad or
scary.

Tap your finger on the stars to zap away bad things!
