

## Allah made the earth, tree and flowers!

Use paint on your finger tips to create leaves on the tree and petals on the flower.

# Allah made the earth, tree and flowers! Thank you Allah!

Let's follow the steps and watch a plant grow!

Fill half your plant pot with soil

Sprinkle your seeds onto the soil

Pour more soil over your seeds

Use the watering can to wet the soil

Put your plant pot in the sunlight

Water your seeds regularly
