

Help the **Baby Baboon** learn to draw lines and connect dots. Try to make the **b** sound as you draw!

1. Trace the lines with your finger.
2. Cut out the animal shape and tape it to the end of your marker, and draw on the lines and connect the dots to make a straight line!

Help the
Baby Baboon go
down the path of
the letter **Baa**! Cut
out the animal
above and make it
run along on the
Baa, or tape it to
the end of your
marker and trace.
Keep saying
Baa Baa Baa.
Then, make him
jump on the big dot
and say, "**Baa**" ten
times!
