

A Real Special Trip

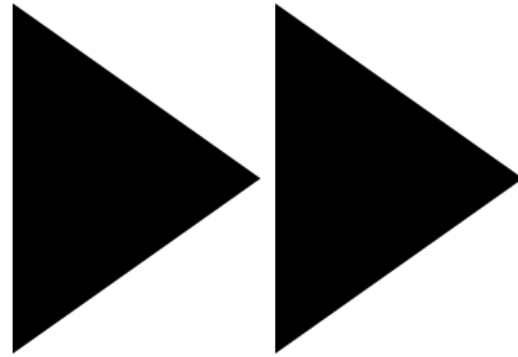

One night, Allah sent Prophet
Muhammad on a real special
trip.

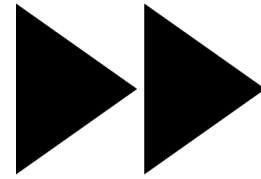

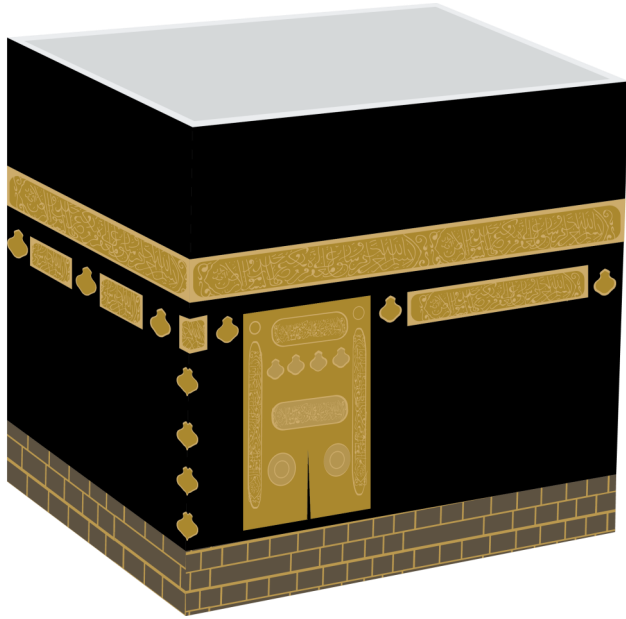

Prophet Muhammad was
awake in his trip.

The trip was not a dream!

First, Prophet Muhammad
went super, super fast!

He went from the masjid
of the Kaaba, to a
masjid far, far away.

Then, he went from that
masjid, up to the sky!

Wow. That is so, so amazing!

الله

Allah showed Prophet
Muhammad lots of things.

Prophet Muhammad saw
stars in space too!

Then, Prophet Muhammad
came back to Earth.

This night was special.
We get happy on this night.

We call this special night
“Merajj.”
