

Allah Made My Mouth

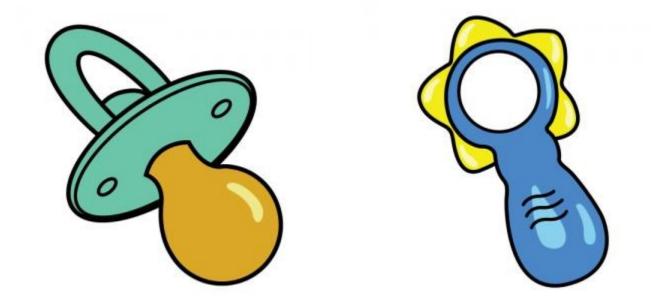

I can touch my Mouth!

I can eat food with my Mouth.

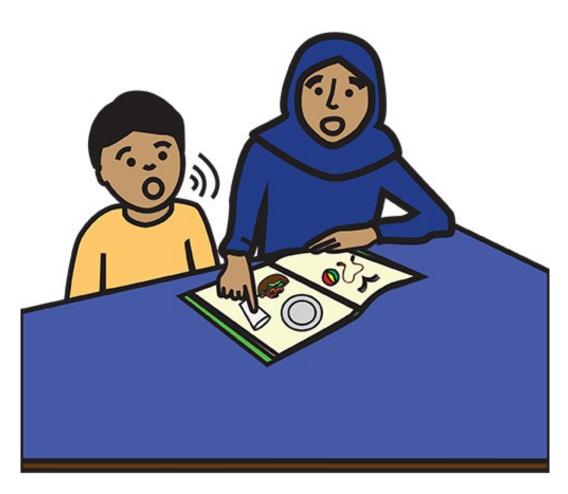

I can put a tooth-brush in my Mouth.

I can put my paci or chewy in my Mouth.

Some things are not safe for

me to put in my Mouth.

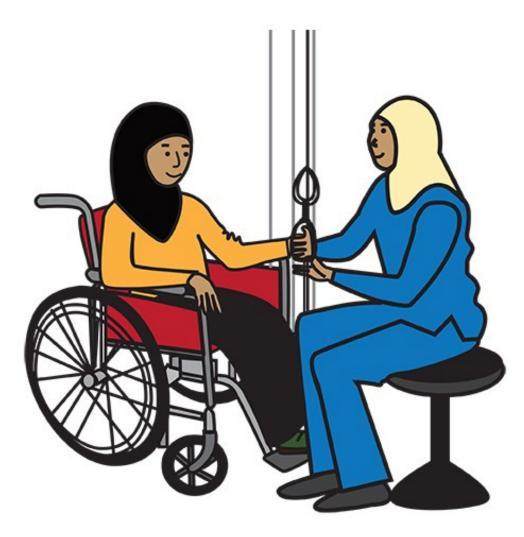

Mom or Dad show me what is safe to put in my Mouth.

My teacher can help me too.

I can smile really big with my Mouth!

Now it's your turn to Smile too!
