

Allah Made the Sky

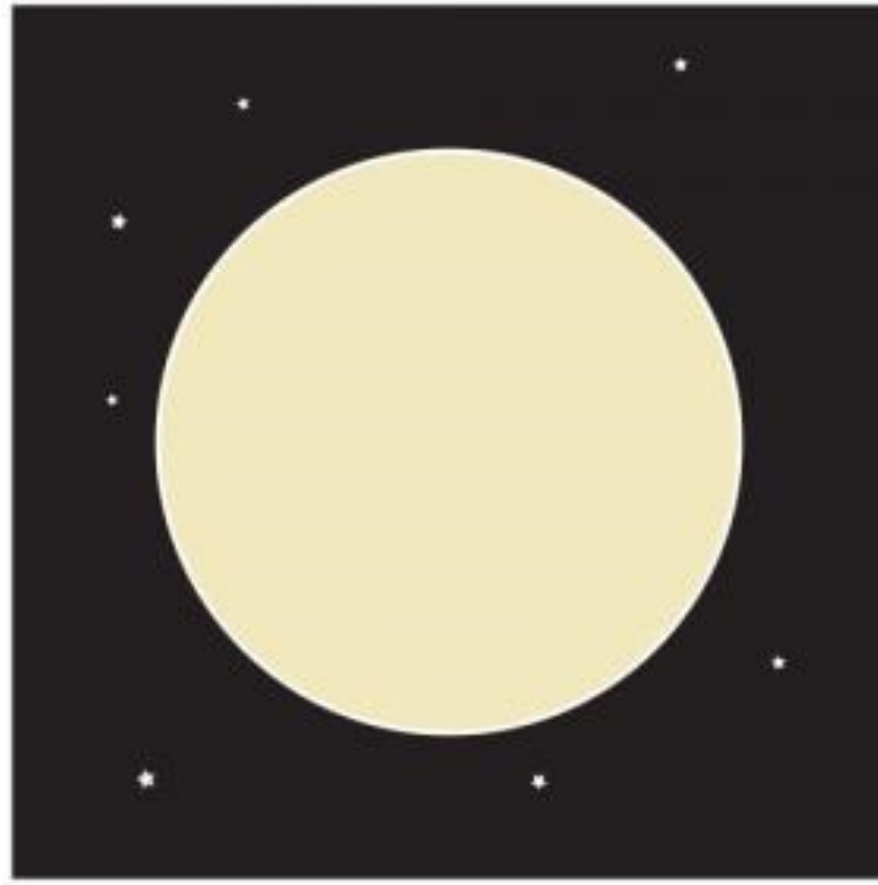

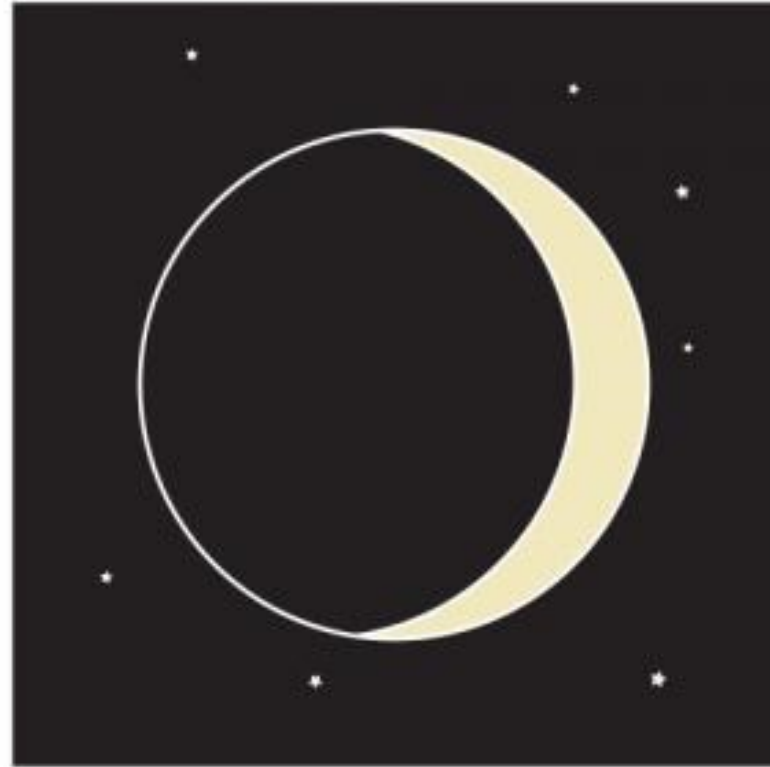

Allah made the Sky.

Allah made the Sky so high.

Allah made the Moon.

Allah made the Moon
so high in the Sky.

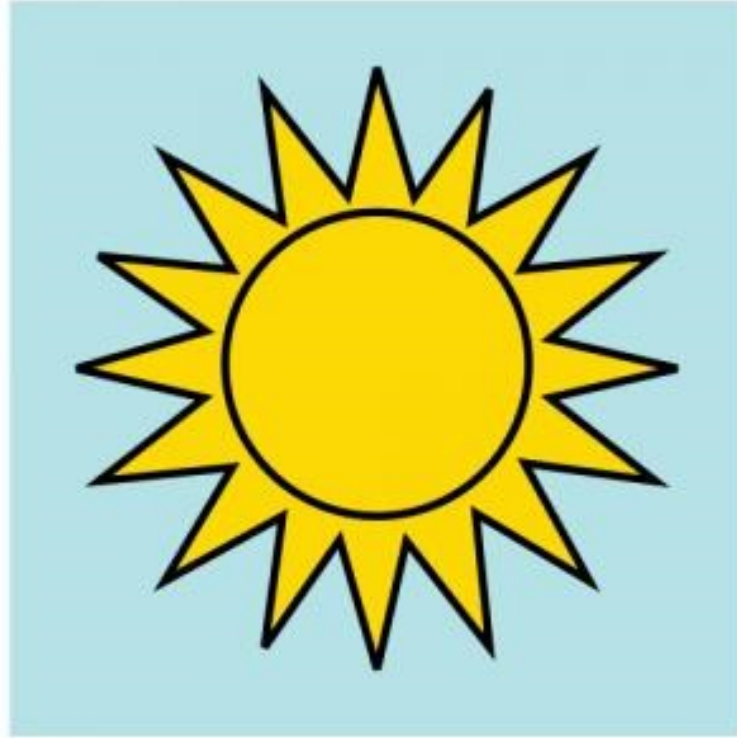

Allah made the Stars.

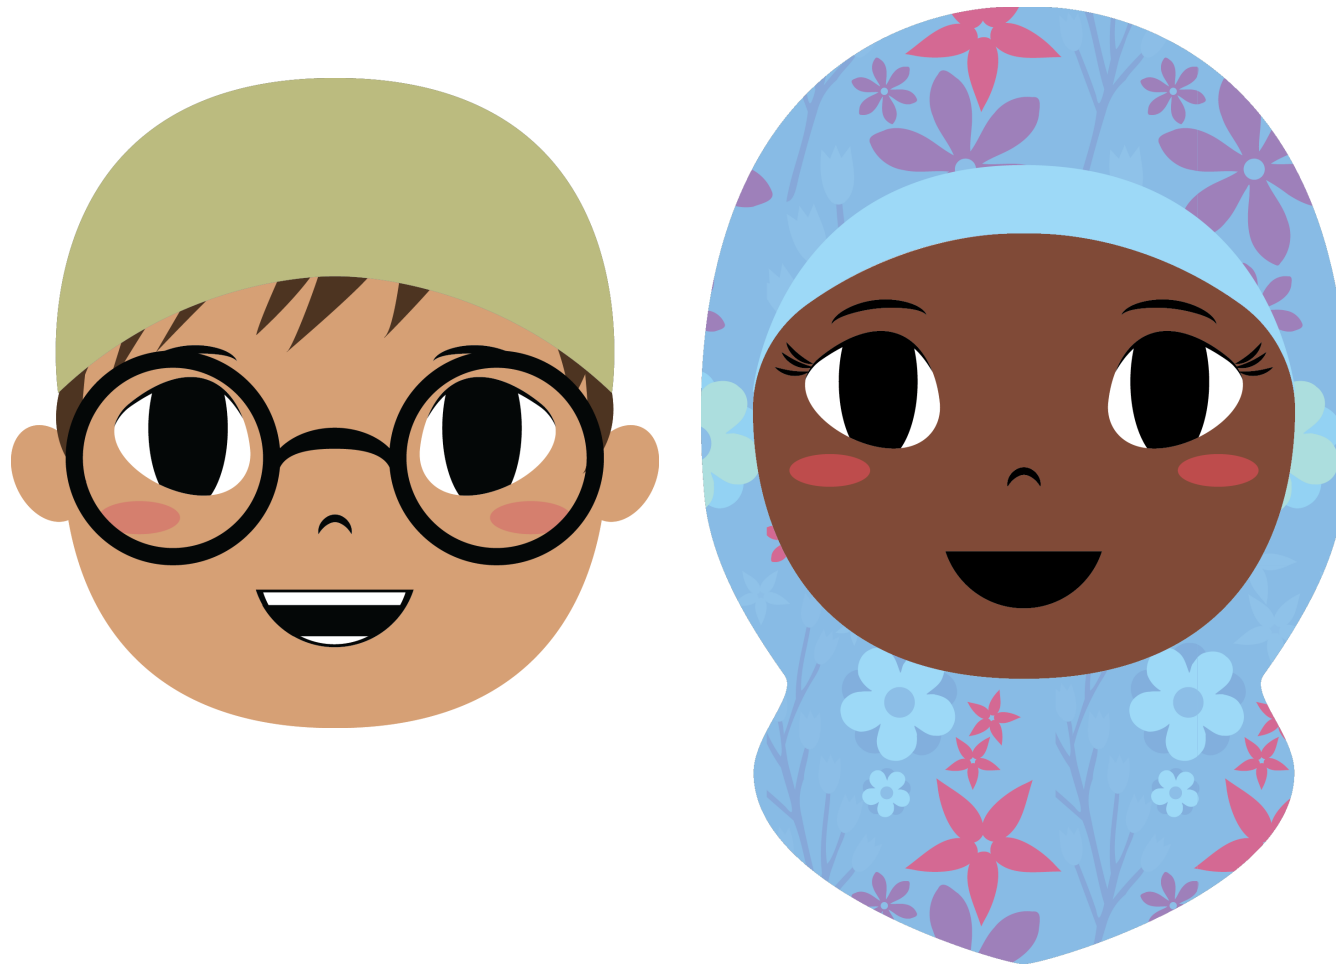

Allah made the Stars
so high in the Sky.

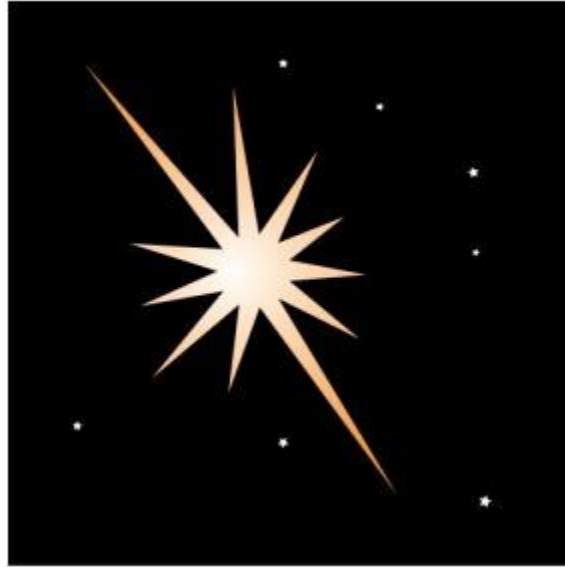

Allah made the Sun.

Allah made the Sun
so high in the Sky.

Allah made me and you.

Allah made me and you
to see the Moon, Stars,
and Sun so high in the Sky.
