

Allah Loves Us All!

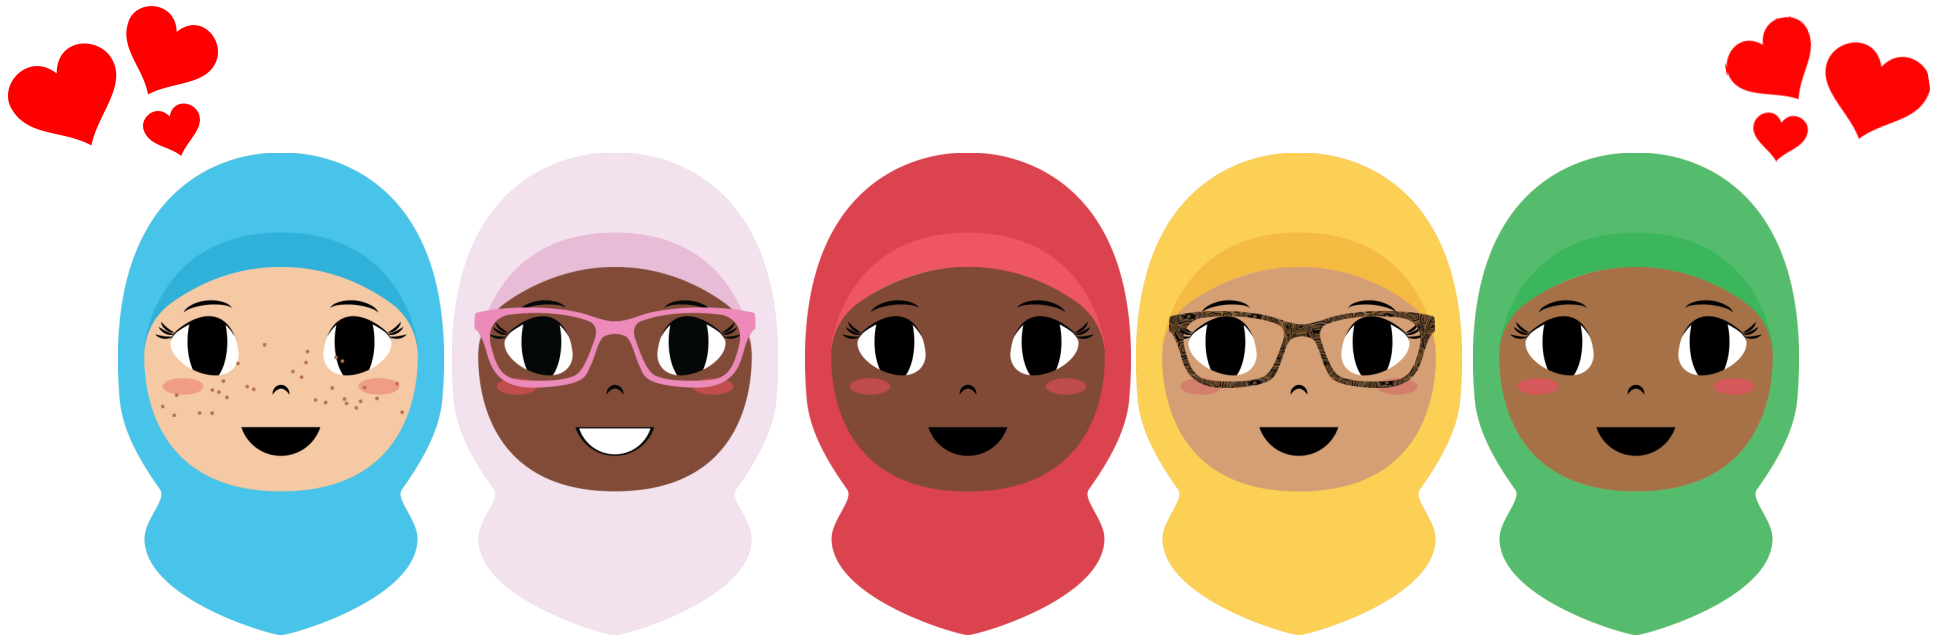

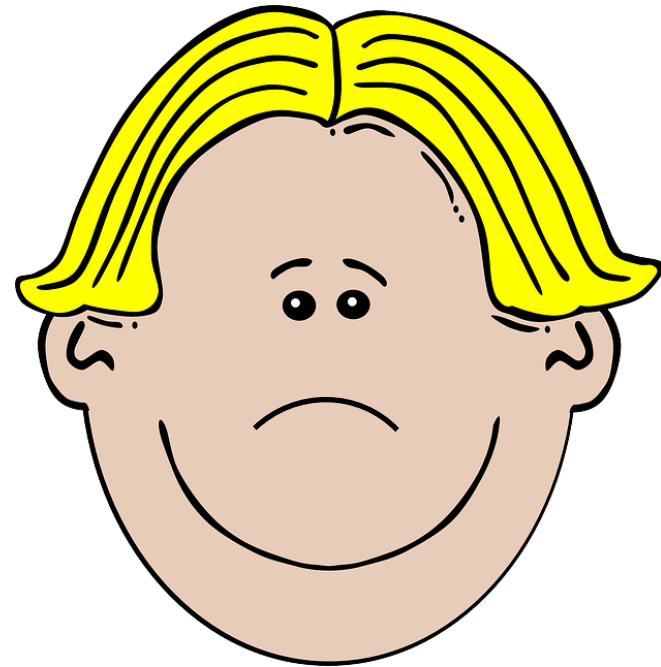

Allah made you and me.
Allah loves you and me.

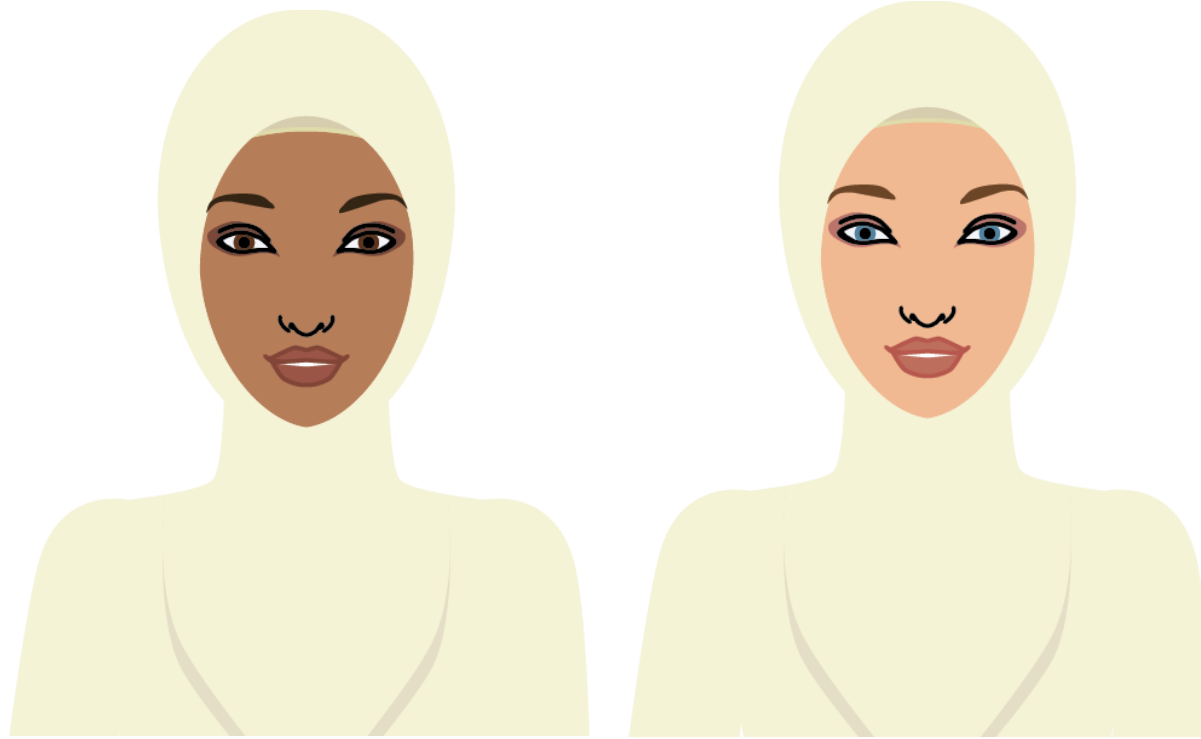

Allah made all the boys and girls. Allah loves us all.

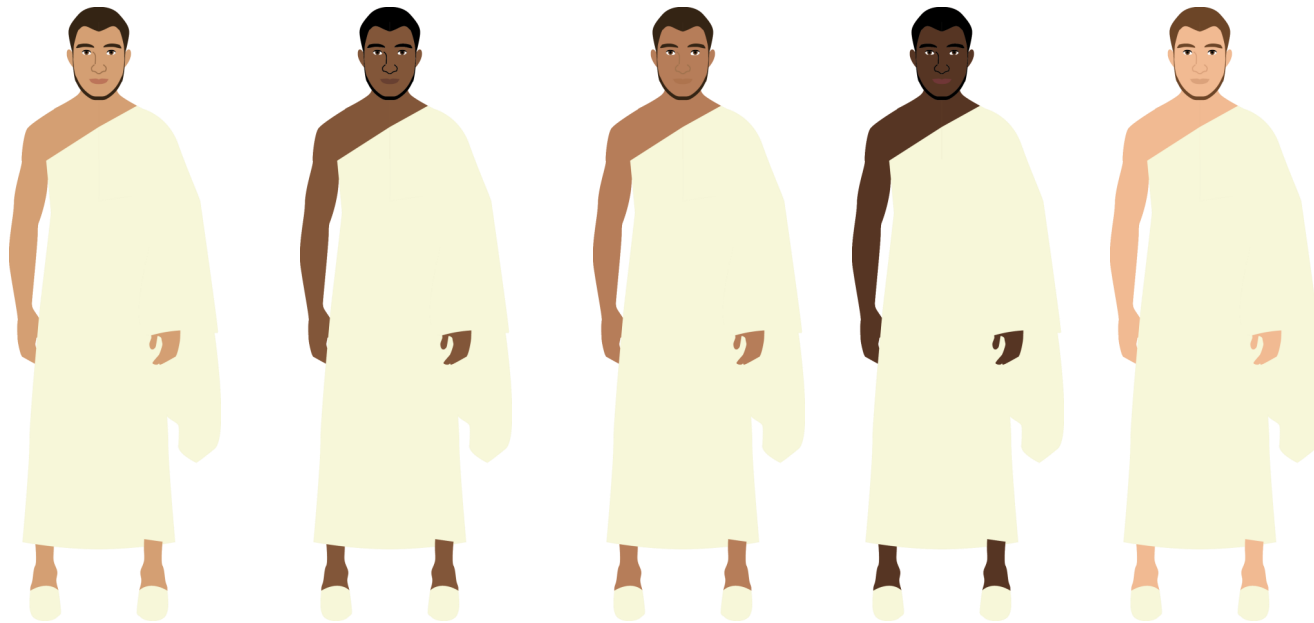

Allah made us all have so many colours. Allah wants us to be kind to each other.

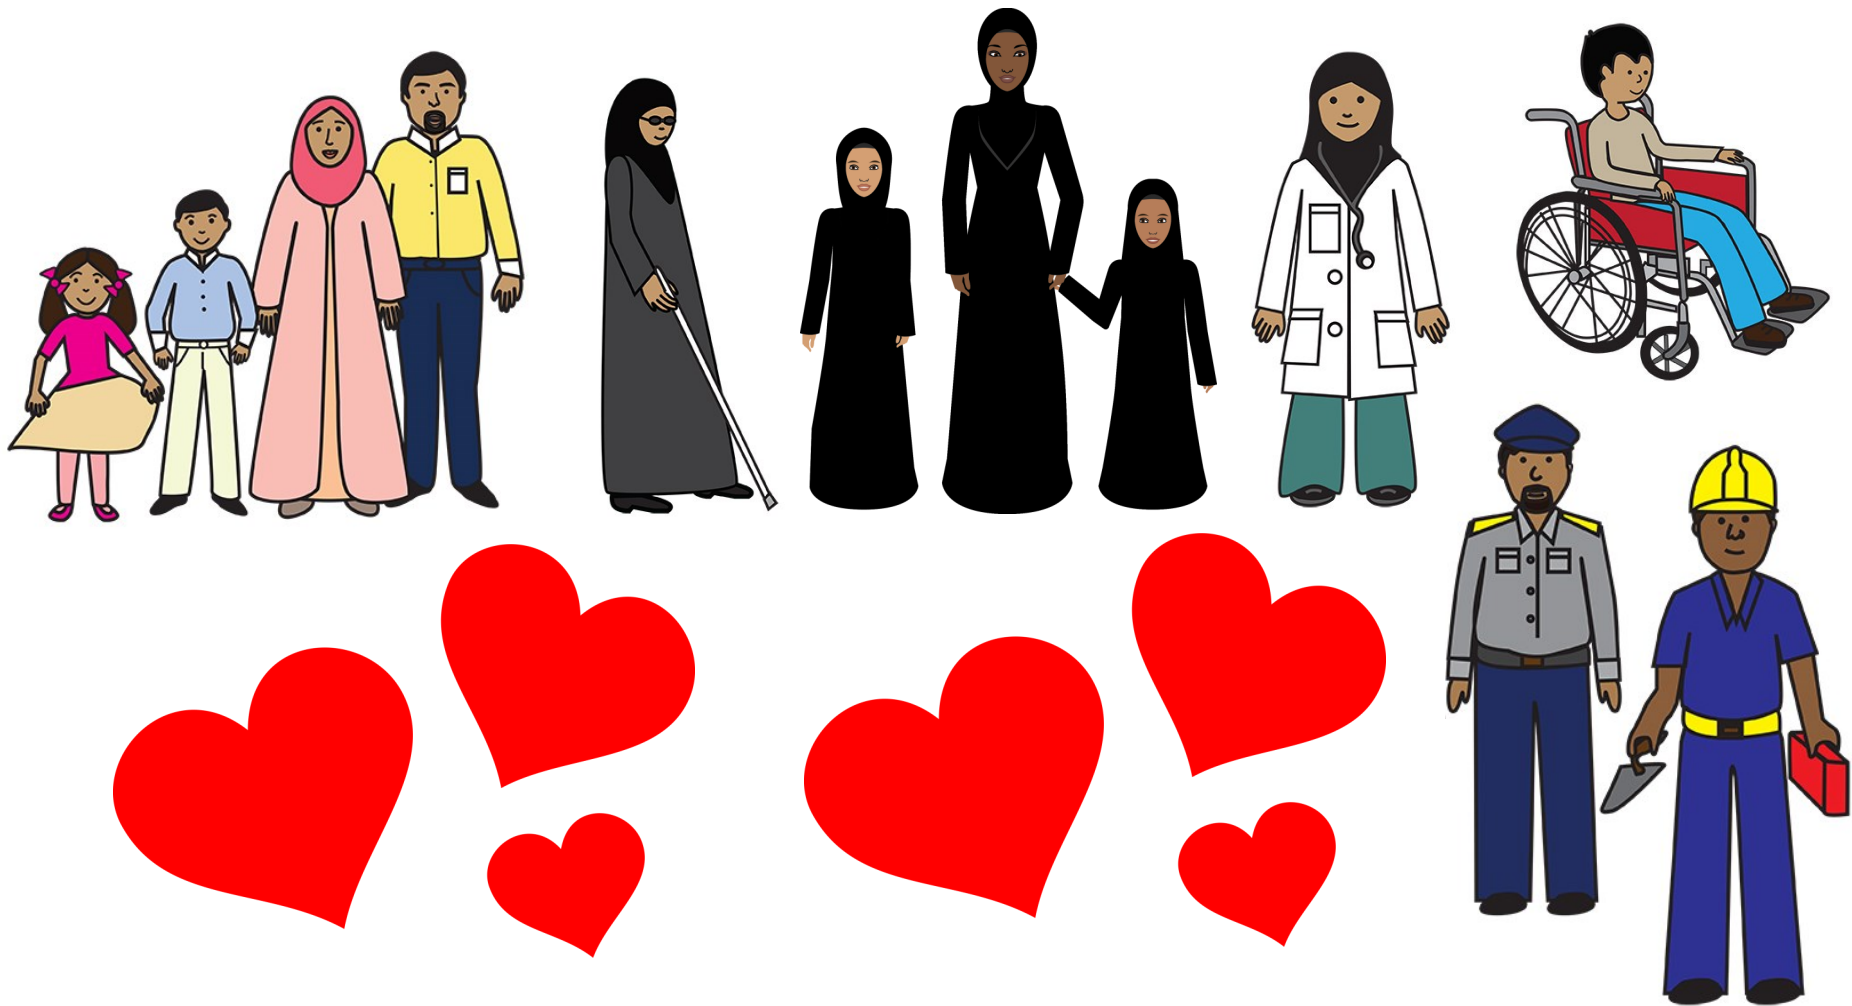

We can have hair that does not look the same as others.

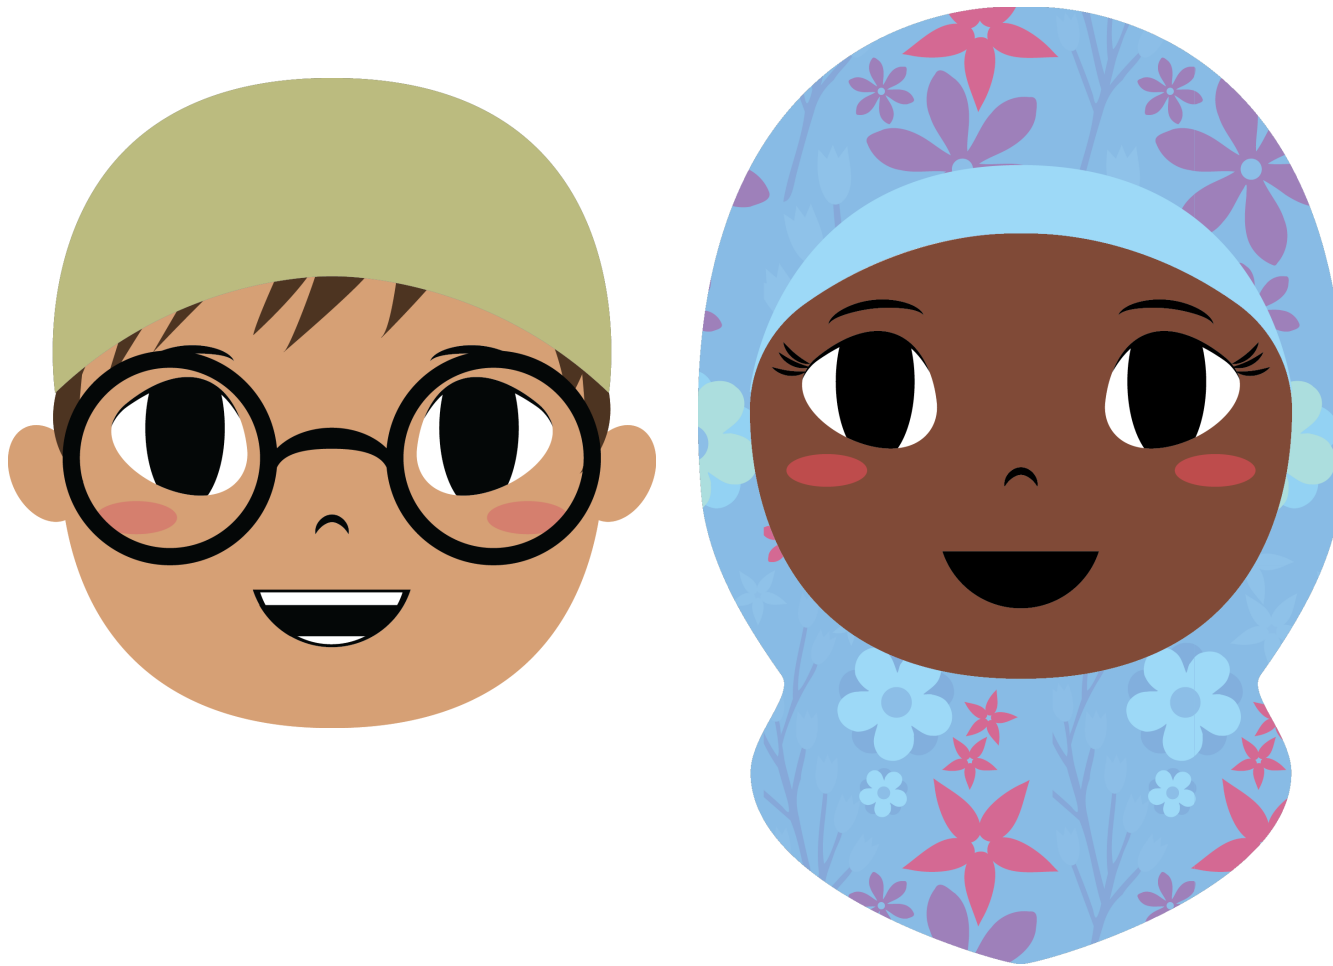

We can have eyes that do not have the same colour.

We can see skin in so many colours.

We do not look the same as
others in many places.

We do not all look the same,
but we can all have kind faces.

We are all the same inside
when we are kind.

Thank you Allah
for this body of mine!
