

# Allah Made My Clean Hands

Allah made my hands. Allah is  
Happy when my hands are clean!

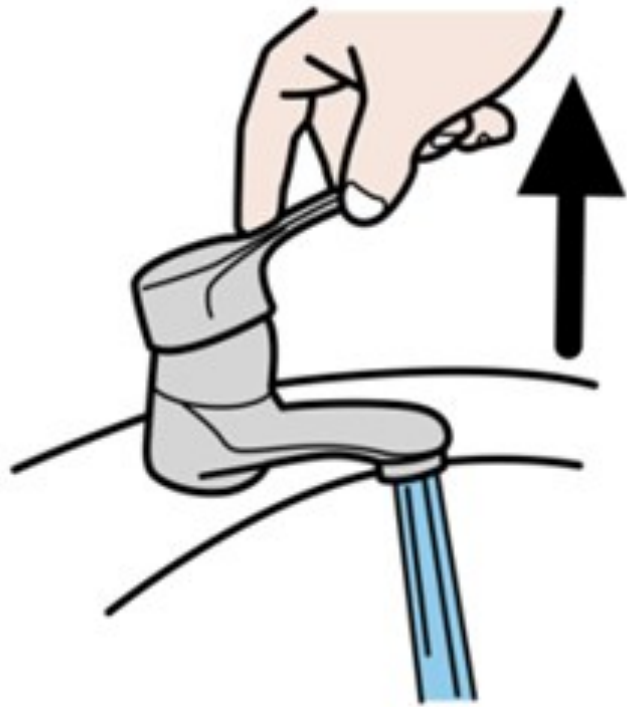

I can clean my hands with  
hand sanitizer. It feels Gooey Gooey!

I can clean my hands with wipes.  
I make sure to Rub, Rub, Rub!

I can clean my hands with soap and water at a sink. This is called washing hands. Allah wants me to wash my hands so I can be healthy!

This is how I can clean my hands at a sink. First, I turn on the water and wet my hands.

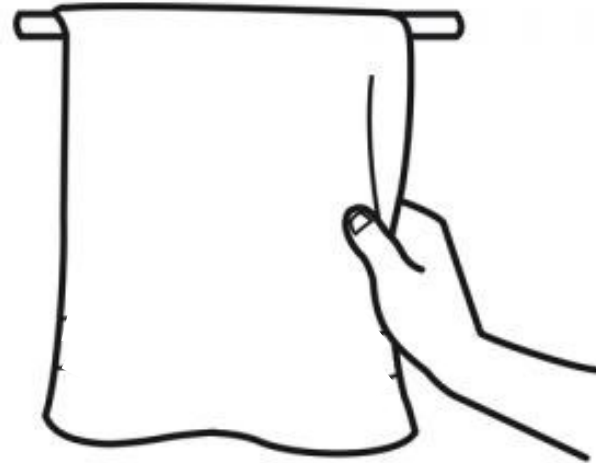

Then, I get soap and Mix Mix Mix!  
I can hum a rhyme while I rub the soap all  
over my hands. Or, I can count to 20!  
Let's count together.

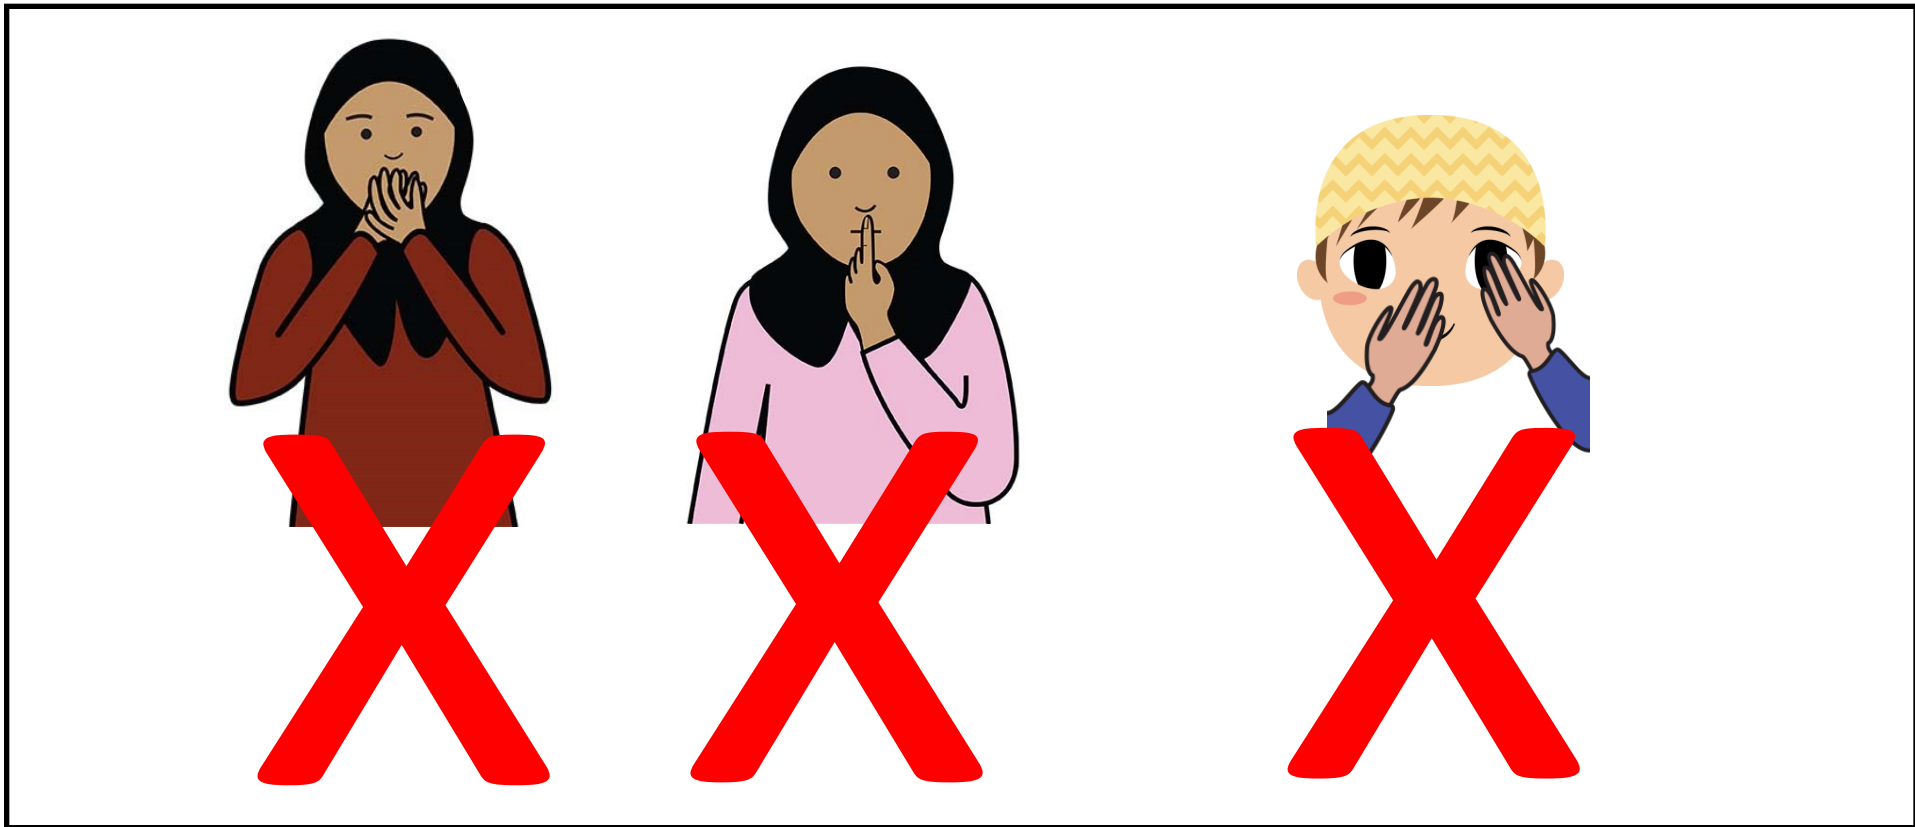

Scrubbedy Scrub and Scrubbedy  
Scrub! We have 10 more seconds.  
Look at the soapy bubbles. Pop, Pop!

Now, I can rinse my hands with clean water. Then, I can dry them. Yay!

**Ul hum do lil la! My hands are clean!**

I keep my hands clean to be safe.

I do not touch my mouth, nose or eyes.

# Washing Hands Keeps Me Safe from Germs!
