

Allah Made My Nose

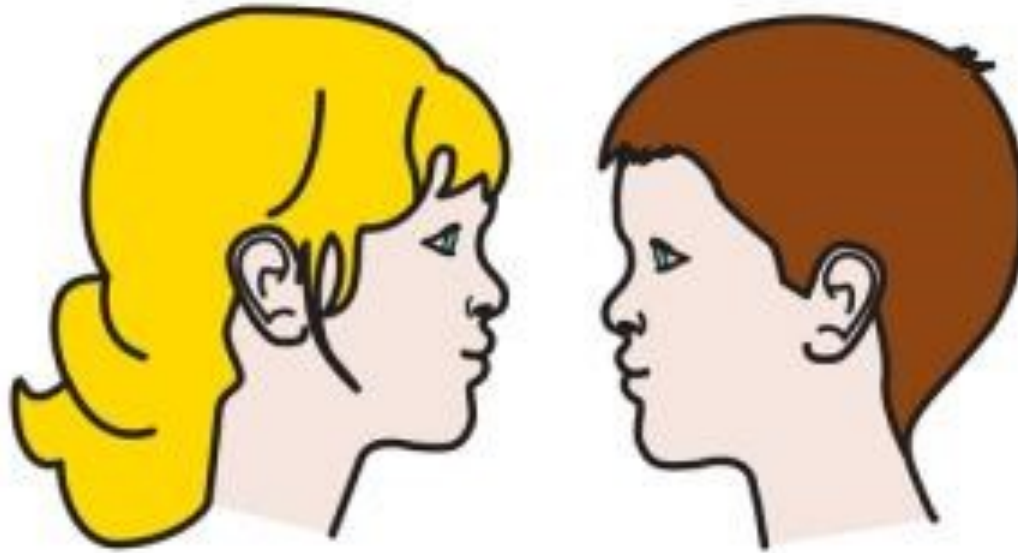

Allah made my Nose.

My Nose is on my face.

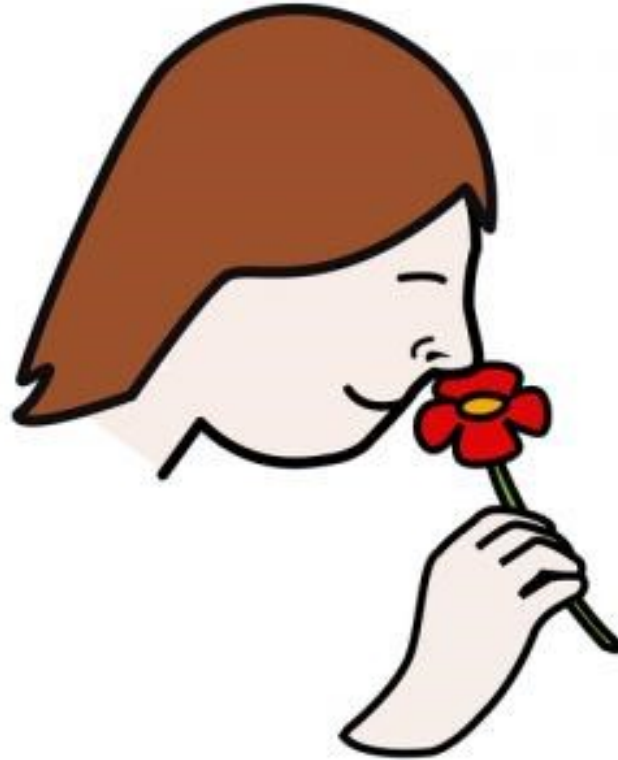

I can touch my Nose.

Can you?

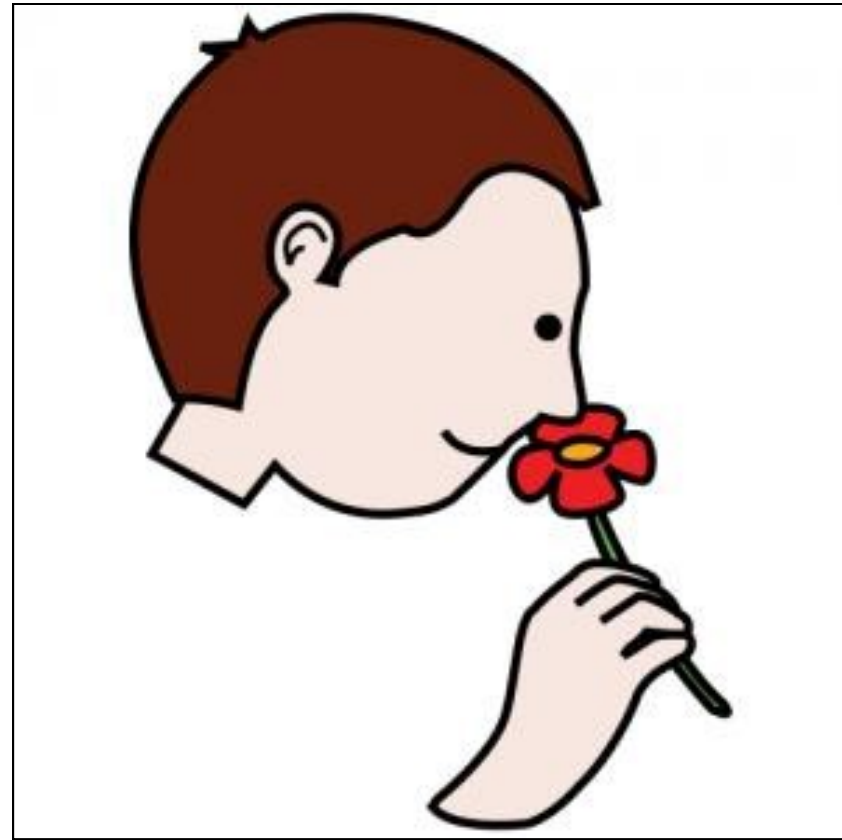

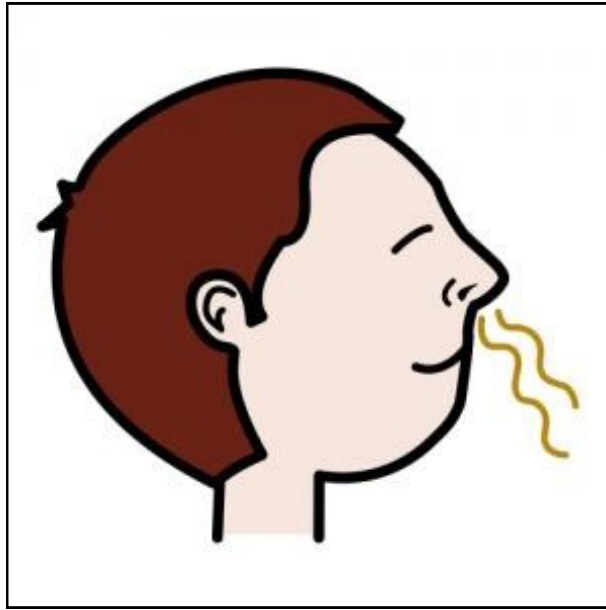

I have one Nose.

You have one Nose too!

I can do a lot with my Nose.
Let me show you what I can do!

I can smell with my Nose.
This flower smells so nice.

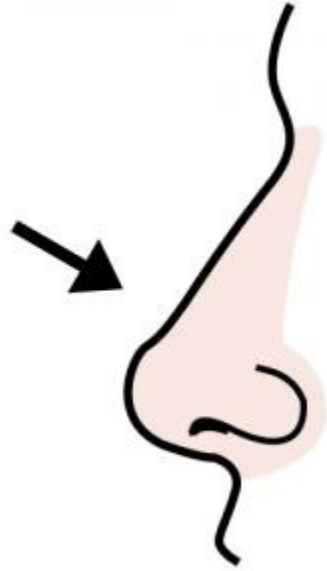

I can wash my Nose when I
do Wudhoo.

You can do it too!

I can blow my Nose with a
tissue. Sometimes Mom or
Dad help me too.

I can wiggle my Nose.
Can you?

Thank you Allah
for my Nose!
