

Allah Made the Sky

Allah made the Sky.

Do you see the Sky so high?

Allah made the Moon.

Do you see the Moon so high?

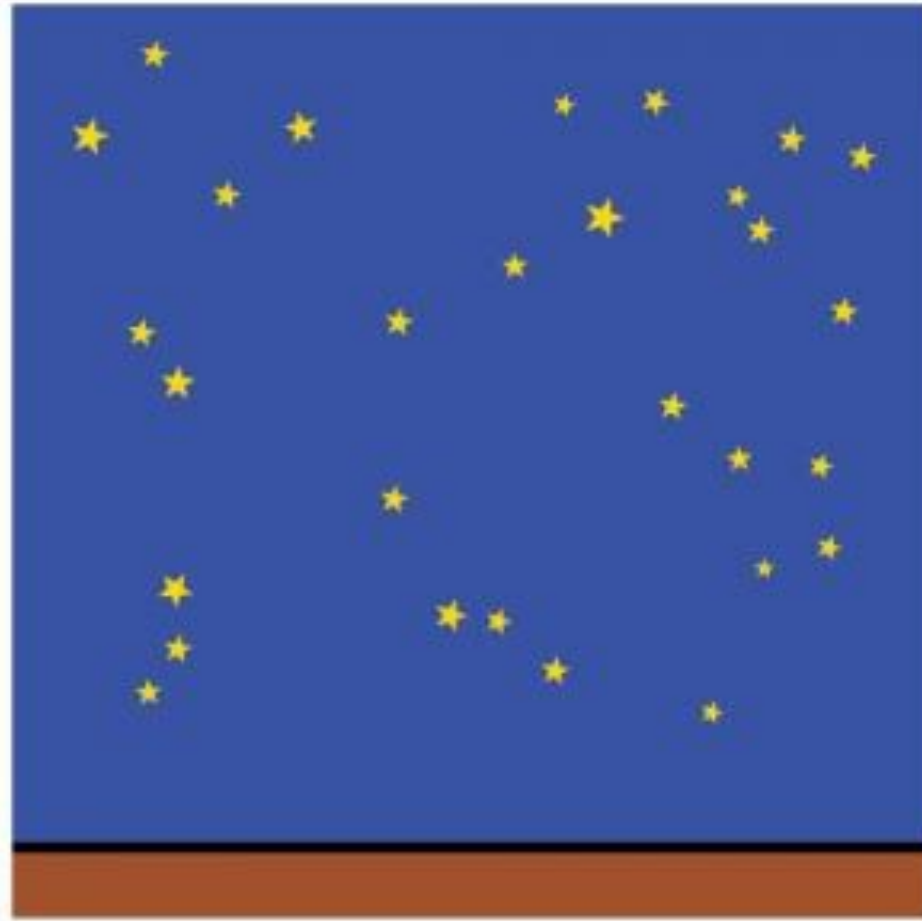

I can see all the
different shapes of
the Moon in the Sky.

Allah made the Stars.

Do you see the Stars so high?

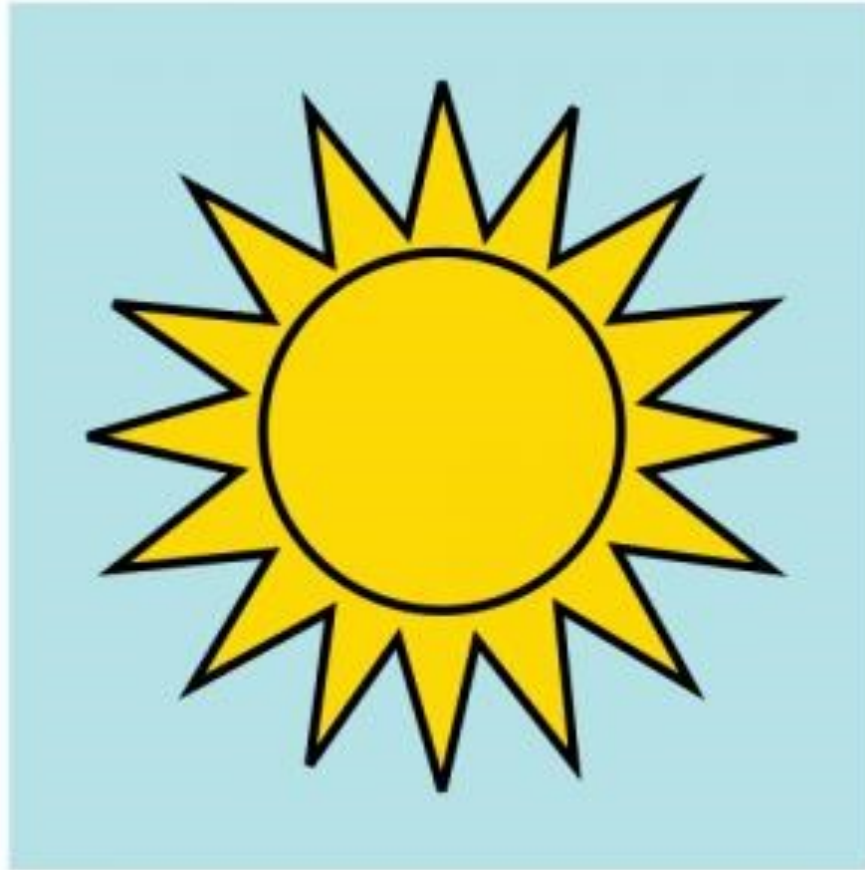

I can see the twinkle of the
Stars in the midnight Sky.

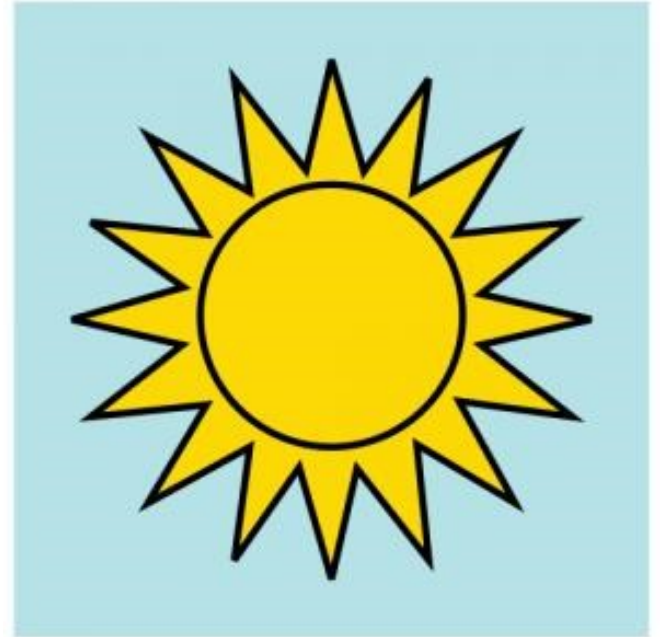

Allah made the Sun.

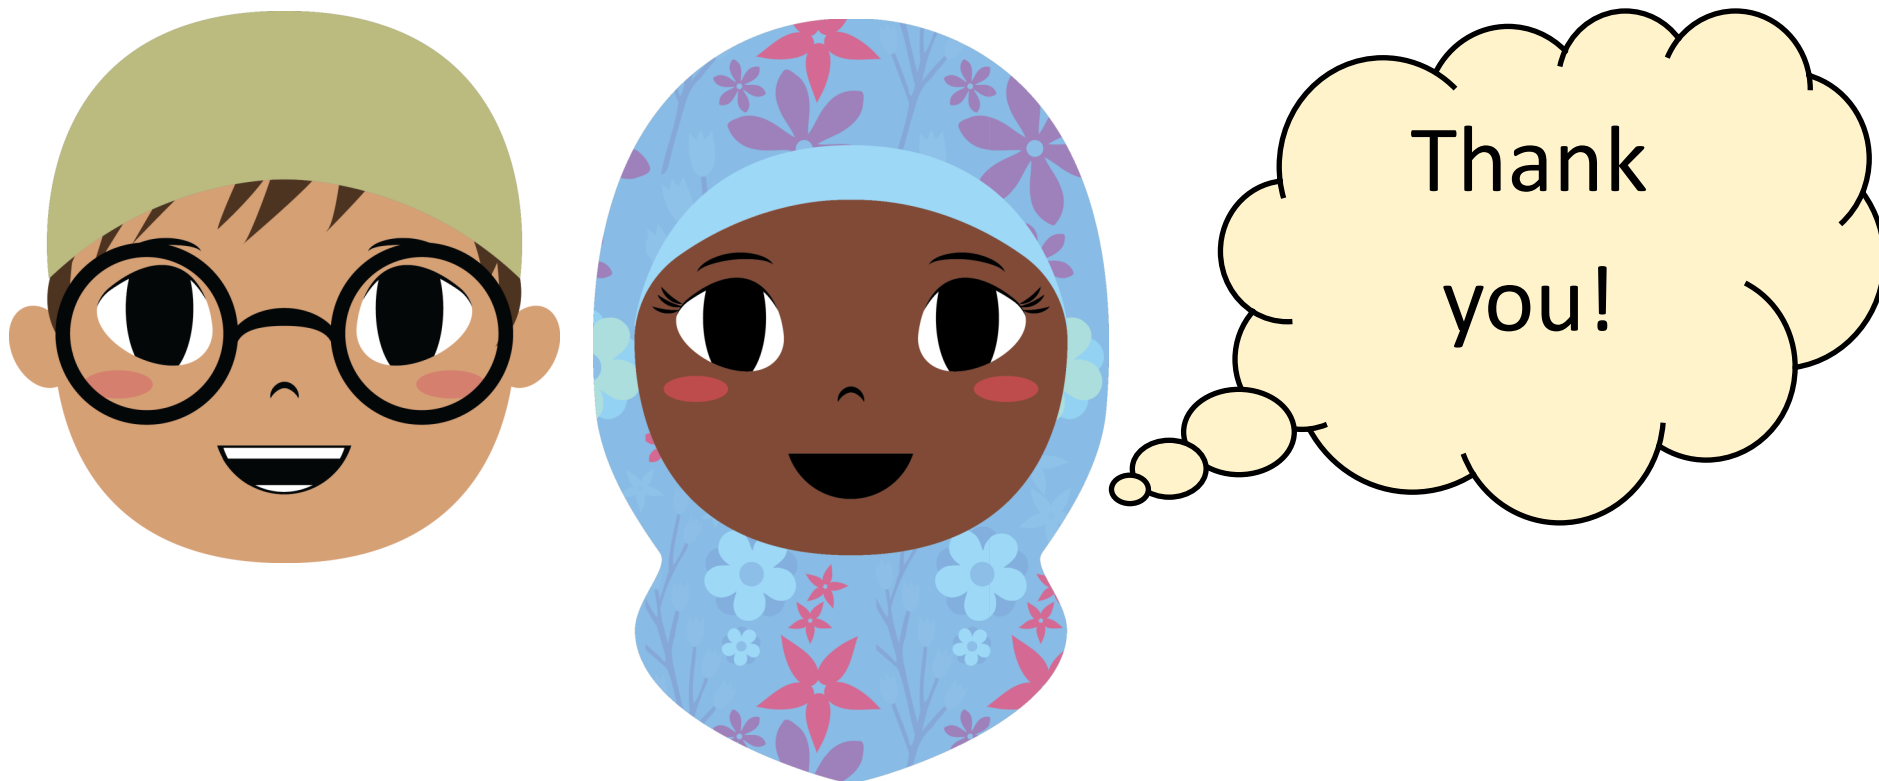

Do you see the Sun so high?

I can see the Sun
shine bright in the Sky.

Allah made the Sky with the
Moon, Stars and Sun
for me and you.

Thank You Allah
for all that You do!
