

# Allah Made Us All

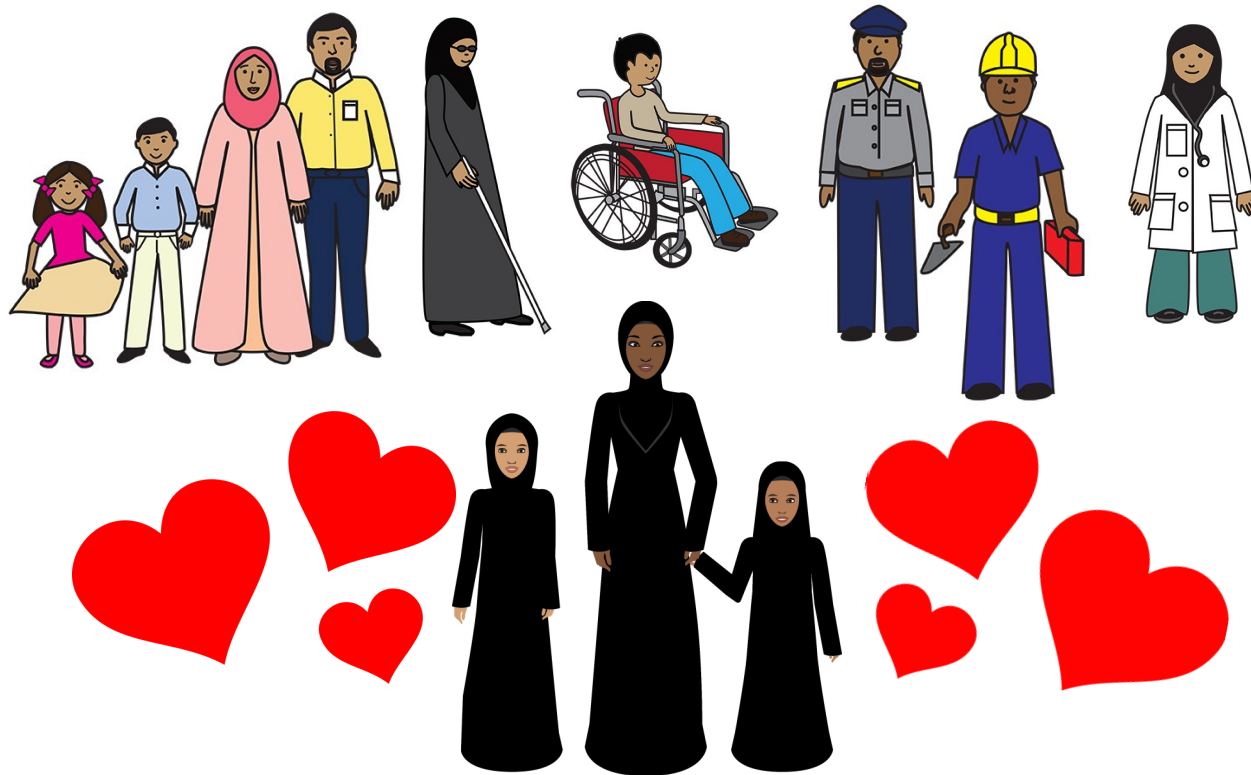

Allah made people on Earth  
be so many different colours!

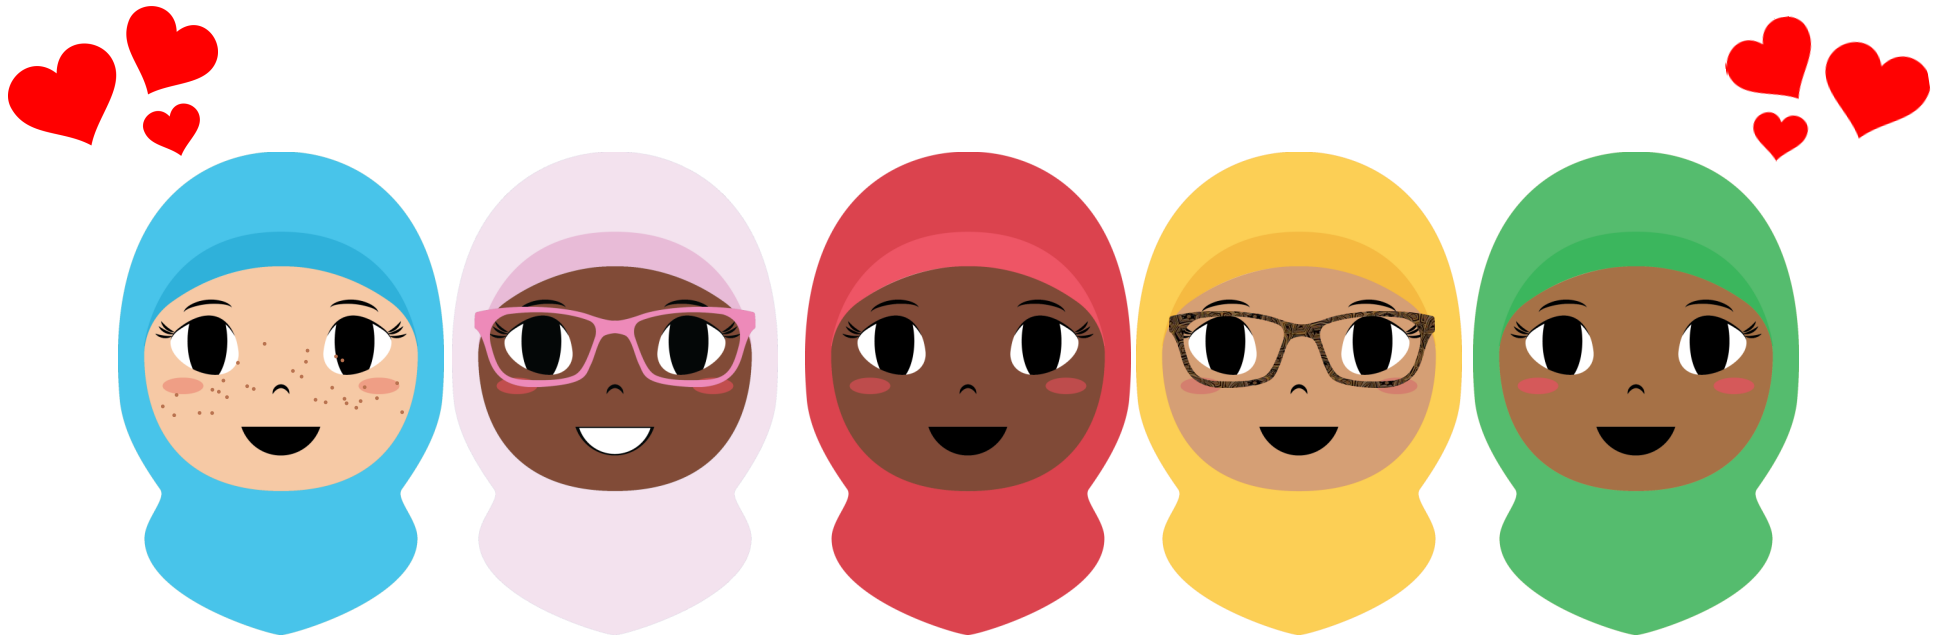

Allah tells us in the Holy Qur'an  
to be kind to each other.

I can be kind to my family by saying “Thank you” and “Please.” I can be kind to my friend by sharing a game.

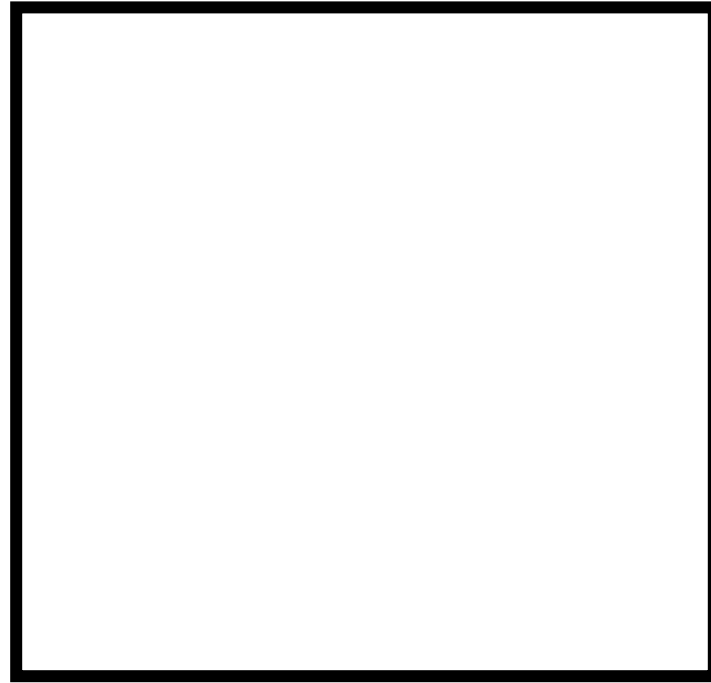

I can be kind by respecting  
how people do not all look the  
same.

I look the same as some  
people. I look different from  
some people too.

I can be kind to all the people.  
People should be kind to me  
too.

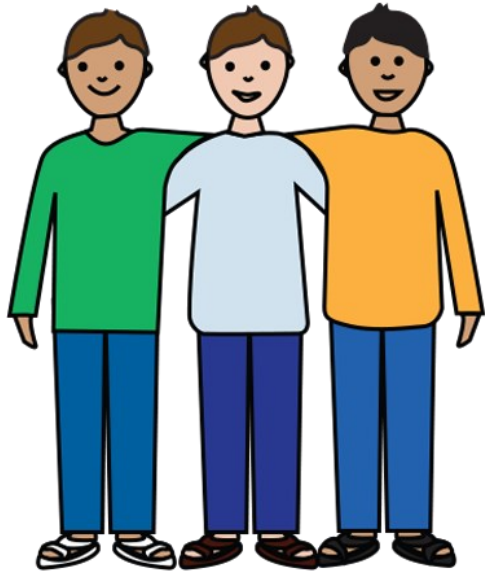

My hair is the colour \_\_\_\_\_

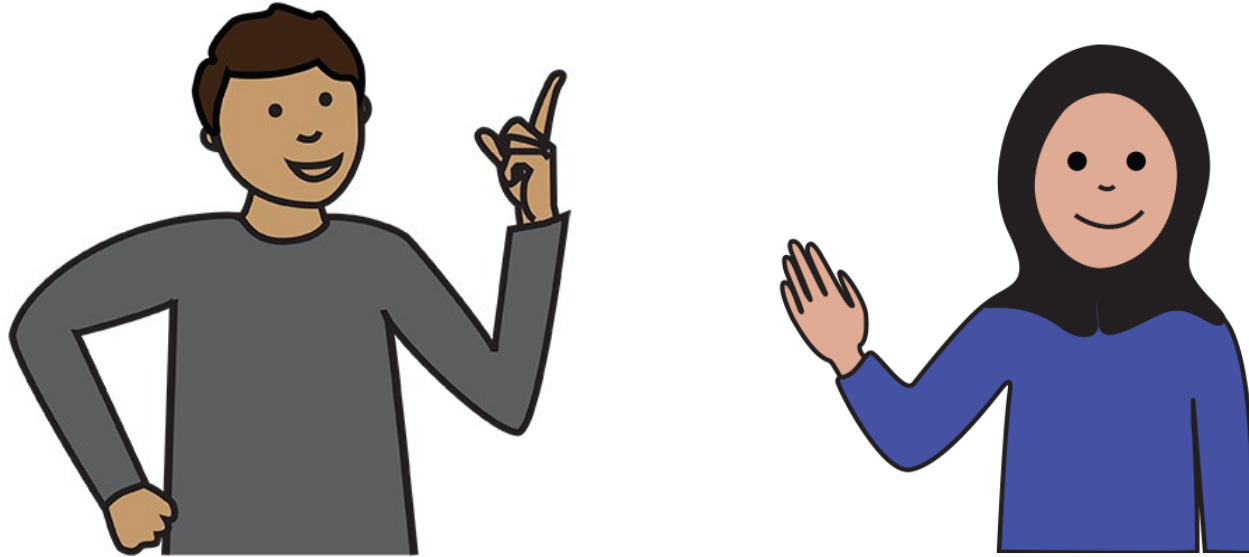

My eyes are the colour \_\_\_\_\_

My skin has a colour too!

When I see a person who looks different from me, I respect the person. I am kind!

I know that person is kind too,  
just like me!

Allah is happy when I am kind!  
I am happy too!
