

# Food at a Majlis

Sometimes, I Eat Food at a Majlis.

Sometimes, I stand in line,  
to get Food in a bag, box, or napkin.

I can sit down and Eat at the Majlis.  
Or, I can Eat at home.

Sometimes, I Sit down in a line  
with many people.

There may be a long paper  
or a table in front of me.

Big hot bowls of Food will  
be put on the paper or table.

I Sit nicely.

I do not touch the hot bowls.

When Food is on my Plate,  
I say “**Bis Mil Lah**” and I Eat.

I can Eat the Rice, Bread, or Lentils.

Sometimes, I like to Eat my own Food  
in a container from home. That's OK!

I can taste one bite of a new Food!

I am great at trying new things!
