

I Thank Allah for Bubbles!

I can see Bubbles in many places!

I can see Bubbles in a drink.

I can see Bubbles in a kitchen sink.

I can see Bubbles in a bath-tub.

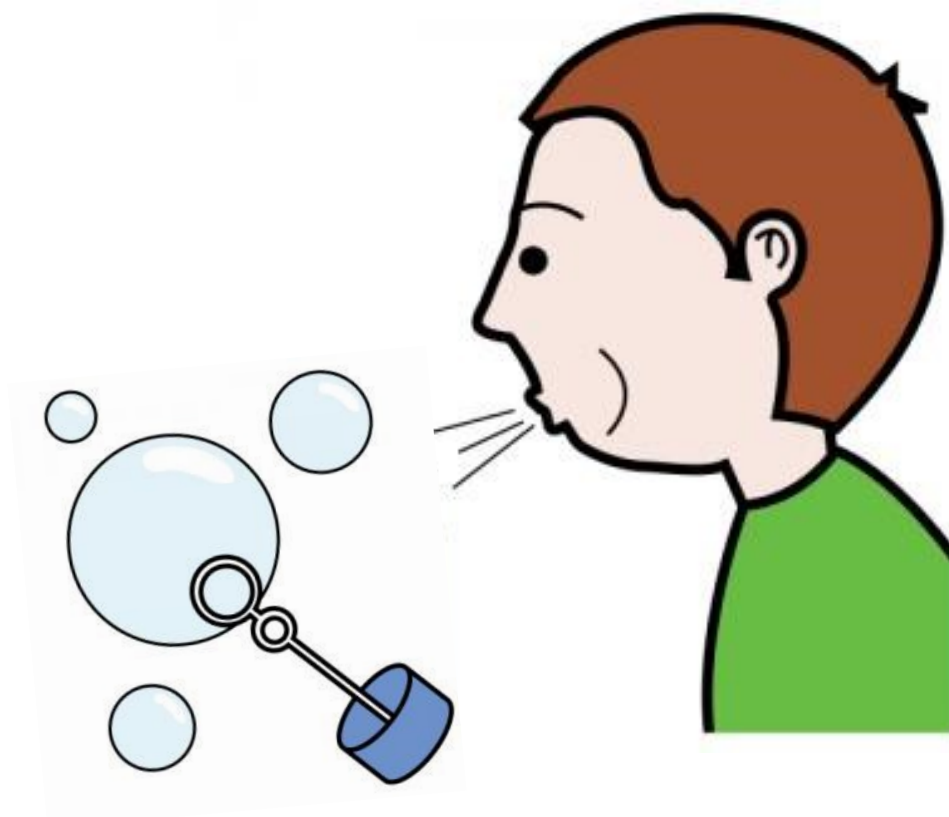

I can see Bubbles when I scrub.

I can see Bubbles in a
laundry machine.

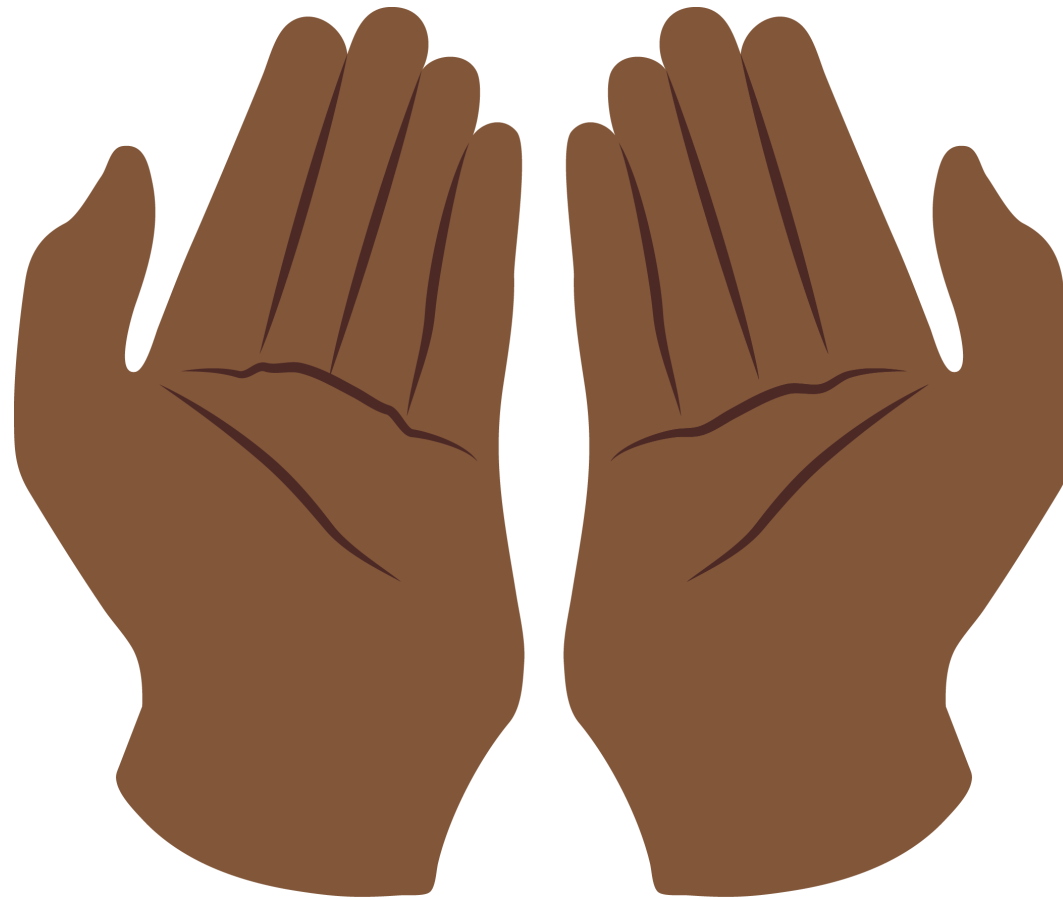

I can see Bubbles when
I wash my hands clean.

I can blow Bubbles with my mouth.

I can see Bubbles all over the house!

I can say **Thank You Allah** for fun
Bubble places.

Bubbles can make kids have
happy faces!
