

My Hands at a Majlis

At a Majlis, my Hands can do many things!

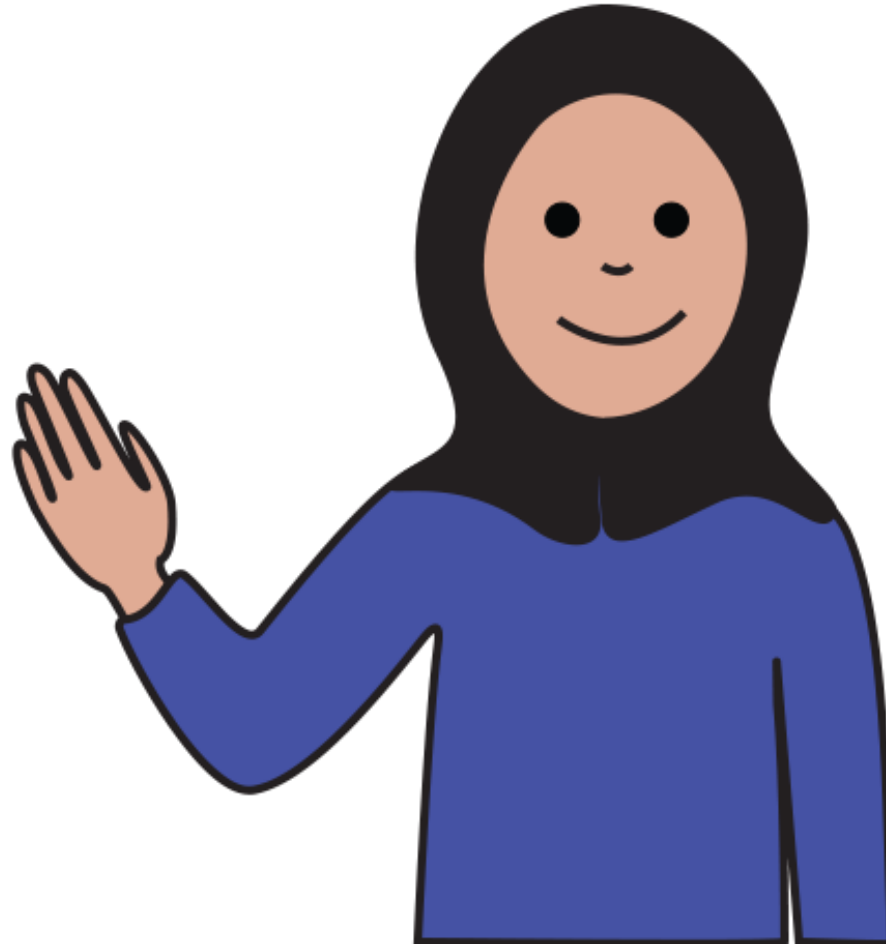

When I want to say “Hi”
at a Majlis, I can Wave.

I can use my Right Hand for a
Handshake.

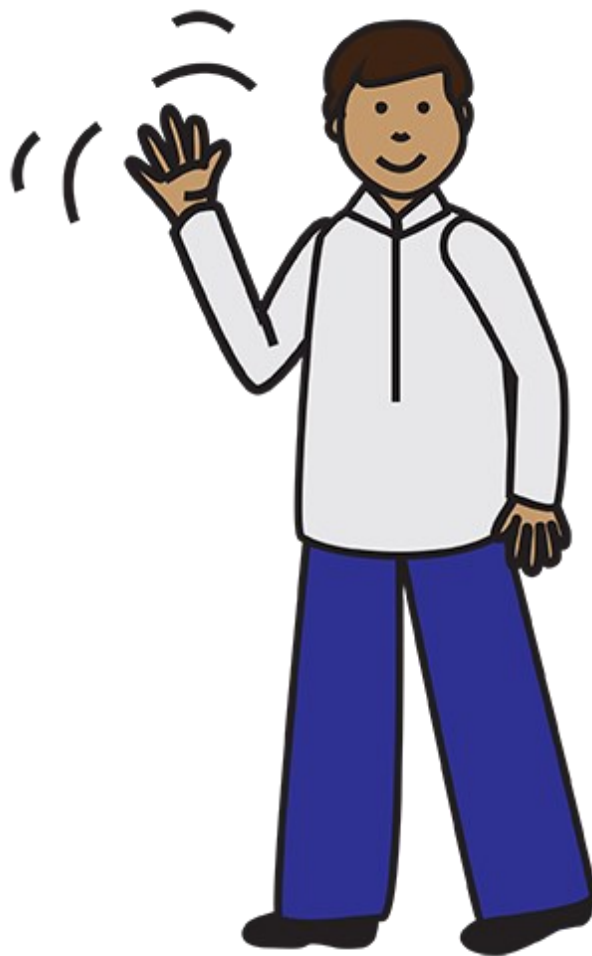

I can put my Hand in
the air for a “High-Five.”

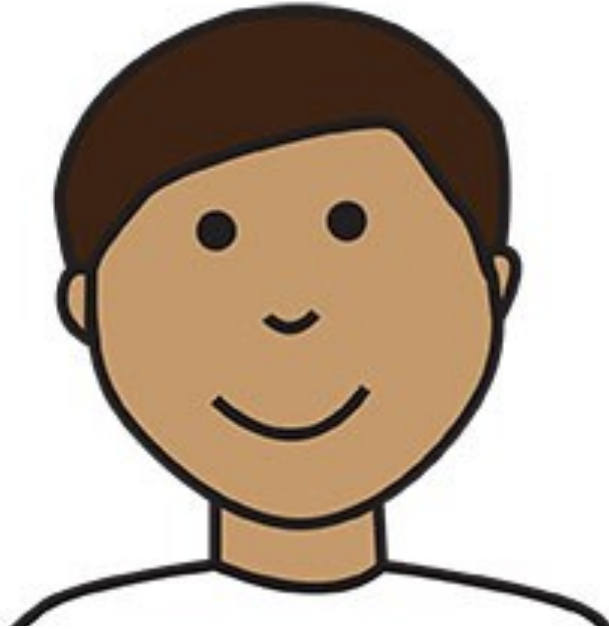

I can try to say the word

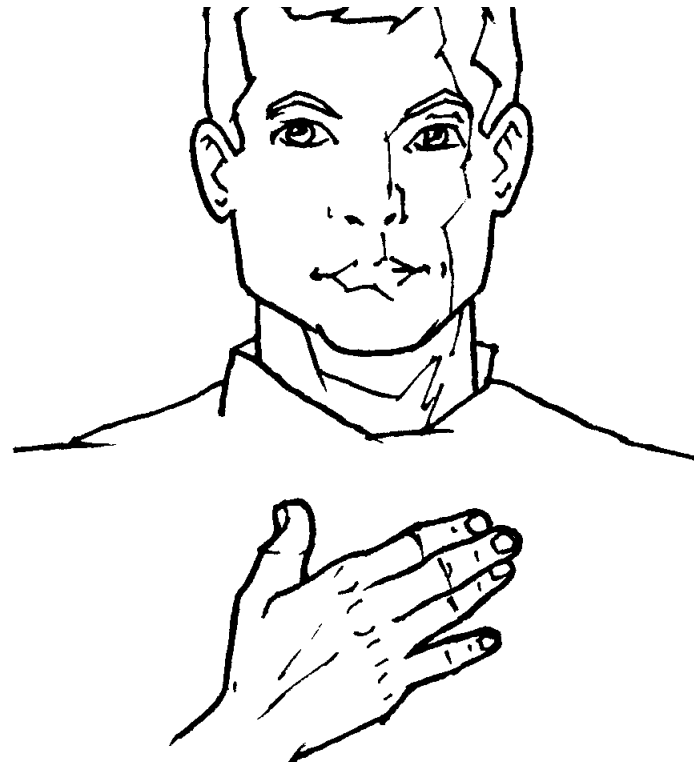

Salaam.

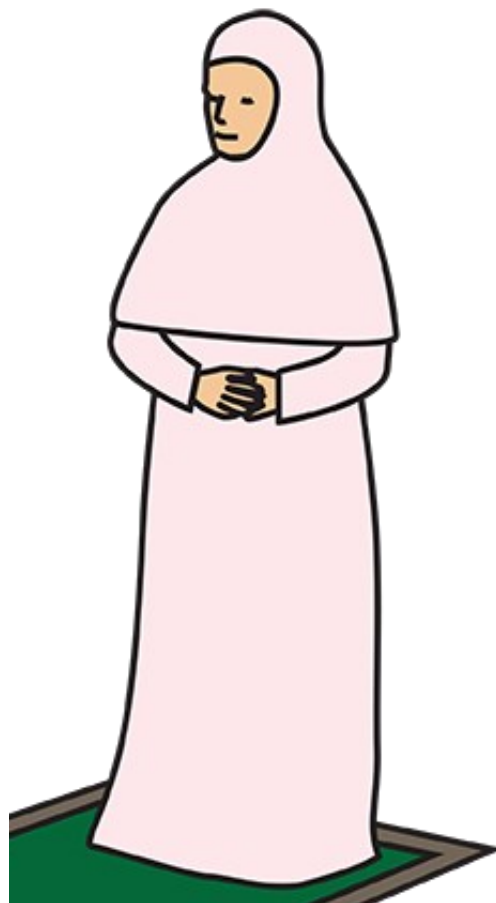

Salaam is how a Muslim says “Hi.”

I am a Muslim!

When the Majlis is almost done,
sometimes my Hand can do this.

When the Majlis is almost done, I can stand still and put my Hands like this.

My Hands can do a lot at a Majlis!
