

Sura Kauthar

Allah tells Prophet **Muhammad** some important things in the book called the Holy **Qur'an**. Allah tells Prophet Muhammad lots of things, but the things He says are for all of us to learn from.

The Qur'an has many parts. We call each part a **Sura**. Today we will talk about a Sura called **Sura Kauthar**. This is the shortest Sura in the Qur'an book! We can learn how to say this Sura in Arabic!

Let's learn a little about what it means. **Sura Kauthar** is about a lot of things:

Sura Kauthar is about beautiful clear water in Heaven. It is about lots of goodness. **Sura Kauthar** is also about a special lady being born. This important lady is Prophet Muhammad's daughter. She is Lady Fatima.

Lady Fatima is the best lady of the entire world, in all of time. Can you imagine that? She was a perfect lady who taught us how to be kind people who love Allah a lot. She is so special.

Lady Fatima is also a link between **Prophet Muhammad** and the **12 Imams**. She is the wife of Imam Ali, and the mother and grandmother of Imams too. What an important person!

Sura Kauthar is also about beautiful clear water in heaven.

1. Listen to the Sura and trace the blue lines with your finger
2. Put some pieces of clear tape on top of the blue lines and pretend the pieces of tape are fresh water flowing!
